

Enriching students from the roots up

BEFORE & AFTER-SCHOOL PROGRAM

All parents are asked to read the after-school policies regarding students who are not picked up on time.

BEFORE & AFTER SCHOOL PROGRAM & PROCEDURES

- The before and after-school program is intended to provide supervision for students who must be dropped off at school before the general start time or stay after dismissal. It is Aspen's responsibility to see that the program is adequately staffed. However, Aspen Academy **does NOT** offer drop-in day care services.
- Each month parents are required to fill out a monthly calendar and pre-pay for the days that are going to be used. The calendar will be located online or at the school office. It is due by the **20th of the month** prior to use. For example, the March calendar is due on February 20th. Late calendars will not be accepted and alternative arrangements for before or after care will need to be made.
- There is a one-time registration fee of \$50 for each family (not each child).
 - Block A 7:00 – 8:00 a.m. (full or partial use) Mon-Fri, school days only
 - Block B 3:30 – 4:30 p.m. (full or partial use) Mon-Fri, school days only
 - Block C 4:30 – 5:30 p.m. (full or partial use) Mon-Fri, school days only
- The program offers gym time, outdoor time when weather permits, quiet activities, homework time and an afternoon snack (block c)
- Parents/Guardians are required to sign their student in each morning – and out each afternoon. For safety and security reasons, students may not check themselves in/out or meet their parents at their car.
- To request a change in your student's after-school routine or pick-up, parents must send a dated and signed note to the front office. No alternative arrangements made over the phone will be accepted.
- **Only individuals listed on the registration form may pick up the student.** Adults picking up students may be required to show ID at any time.
- The same behavior expectations we have for students during the school day apply to the before and after-school program. Students who violate the rules will be temporarily removed from the group. This is an optional program; if behavior problems persist, the student may be dismissed from the program.
