

Aspen Academy Winter Weather Plan

The safety and well being of students and staff is our top priority and the decision to close school is no simple matter.

Before deciding to close school due to extreme weather conditions, Aspen Academy Director Mike McNulty consults with a network of neighboring superintendents and transportation departments. Our commitment is to keep families, staff and the community informed of weather-related school closings and cancellations.

Please note that we continually monitor the forecast from the National Weather Service in order to make the best decision for students, staff and families.
