- I. Annual review of Policy 616 School System and Accountability – Shortly after the committee reviewed this policy last year, the MSBA reviewed it and made some small changes. The committee added those changes made to the MSBA model policy in sections IV.D. 5 and IV.G. The committee decided to leave in section IV.F regarding participating in the ACT Explorer assessment because it is in the World's Best Workforce and part of our charter.
- II. Review of Policy 510 School Activities – No changes were made.
- III. Review of Policy 534 Data Practices – No changes were made.
