Fundraising

- Book Fair (Alanna/Sheryl Price) – Book fair will be in March 8-9 during conferences.
- SCRIP update (Heather) - conferences went well for Scrip - we didn't sell as many gift cards this time as in the past however, we did talk with a family who signed up, signed up for PrestoPay and began using ScripNow! so that is always a bonus. Activity was good during the Thursday conferences but not so much on Friday. We did sell 23 gift cards through the school office since conferences (which is great) and I have an revised listing of those available on the window at the front desk. Going into the slow months of Scrip (due to gift card overload due to the holidays) so we will place an order on Jan. 22nd and highlight that we have cards available for sale in the school office.
- Dinners (Nicole) – Arby's will be February 27th 4-7pm.
 - Amazon Smile (Heather) – as of Nov. 2017, Aspen has received \$192.58. Donations are issued quarterly (most recent being November) so next check will be issued in February 2018.
- SchoolStore (Alison) – Teachers have received their gift cards and have been buying items needed for their classrooms, like a document camera.

- *Directory (Kylee)- Kylee will send info in the newsletter asking for people to sign up and will send out again later in January. Parents have been asking where they can find it.*
- *Golf Tournament: Kylee is waiting to hear back from the golf course on a few items and will need volunteers to start collecting silent auction items.*
