Aspen/Teacher Update

Dr. Gayle-
Ms. Peterson –
Mrs. Torvik -

Secretary

Stephanie Smitley -

Treasurer

Nicole Suyak – Our free trial for the directory expires on the 20th. I will be making the payment this week. Book Fair money will be delivered Thursday.

Fundraising

Book Fair (Sheryl Paulson Price & Jaime Weese)-

- The school looks Enchanted! Thank you to Jaime, Monica, and their volunteers.
- Thank you to everyone who donated to the Book Fair! We could still use two (2) extension cords for the registers. If anyone would like to donate (or even lend) them, it would be appreciated.
- There are still a number of volunteer shifts for the actual fair. Cashiers, mascot actors, mascot handlers, and general helpers are still needed. If you don't see a sign up in your desired time, be sure to check the volunteer shift in the other online fair link. Kristi, our local Scholastic rep, will be visiting the teacher preview on Thursday (11/15) to help train on registers, provide support, and meet our staff. Families are welcome to drop in and say hello!
- Book Fair Science talk: Restoring Enchanted Forests was a great success. Dr. Shea, Director of Natural Lands at Saint Olaf college delivered a 30 minute discussion on the benefits of recreating forests from farm land.
- Many teachers have supplied their wish lists, but we also encourage students to go online, fill out, and share theirs with friends and family members.
- Family fair preview on Friday, 11/16 from 2:45-4:15pm, and the fair will run through conferences, per usual.
- Our decorations have sustained damage. We will need to revisit the spring decorating schedule.
- If the extended book fair is a success, we may extend the length of the spring fair and try to incorporate All for Books activities during I Love to Read Month.
 - A reminder email to teachers to make their wish lists would be helpful.

- K-5 involved with handprints, 6-8 with a science talk.
-

SCRIP (Heather) -. Just placed an order yesterday - 5 families. Ordered cards to sell at conferences. Heather will be there Monday and part of Tuesday, got her kids for the rest of the time. Amazon is now doing gift cards too. Barnes & Noble and Target \$5 cards will be available for classroom drawings.

Dinners (Nicole) - March for VFW dinner? Probably March to stay away from I Love to Read Month. We made \$485 from Chipotle night.

Box Tops (Holly Johnson) – March or April big competition to bring them in.
