

Dear Aspen Academy Families,

Today the Governor announced that Distance Learning will begin on Monday, March 30 and will continue to May 4. At that time, it will be decided if students will continue with Distance Learning or if they will return to school.

The teachers and staff at Aspen are prepared to start distance learning for your students and our full Distance Learning Plan will be on our website on Friday, March 27.

For information and procedures that are already put in place and our FAQ's sheet please familiarize yourself with our Distance Learning Resource page where all updates and information will be provided.

Distance Learning information can be found under current families/resources/Distance learning (folder) or follow this link: <https://aspenacademymn.org/current-families/resources/elearning/>

We thank you for all of your support and I know as a community we will continue to grow and support each other.

Dr. Connie Freitag
Executive Director
Aspen Academy
