

Dear Parents,

On January 5, 2021, we will hold our lottery for all open slots for the 2021/2022 school year. To determine how many open slots will be available, we need information from our current families who currently have children enrolled. Please help us by answering the following questions, and returning this form by **Friday, December 11, 2020**.

I have the following child(ren) enrolled at Aspen who **WILL BE** returning next year:

Last Name	First Name	Grade NEXT Yr

Aspen Academy offers “sibling preference” meaning if you have a child enrolled during the current school year, the sibling you wish to newly enroll gets preference before we take open enrollment for new families. Please list the siblings for whom you are seeking placement for 2021/2022 school year. If you have not done so already, please complete the online application. If we have more applications for siblings than space, we will use a lottery to determine sibling placement and wait-lists.

**PLEASE NOTE: Minnesota Law and Aspen Academy requires all students to be 5 years of age by September 1 of their kindergarten year.**

Last Name	First Name	Grade NEXT Yr

I have the following child(ren) enrolled at Aspen who **WILL NOT** be returning next year.

Last Name	First Name	Grade NEXT Yr
