

**Strategic Planning Committee Meeting  
November 11th 2021 @430pm**

**Committee Members:**

Andrew Price  
Rob Allison  
Andrew Petrenko

Minutes: CTO 4:30pm

We reviewed the proposal from Julie Goldsmith of Fresh View Coaching. There was discussion about the scope of work but there was consensus on moving forward with her proposal and to send that to the board for approval. The goal will be to have the board meet in early 2022 to review and update the SP.

We had a high level overview of the current strategic plan. We reviewed the Strategic Objectives and talked about how we might edit those, but acknowledged that that was a discussion for the full board in session.

We discussed the need, and opportunity, for parent involvement.
