Date: Tuesday October 11th, 2022 Time: 4:20pm Location: Media Center

- 1) Welcome – The decorations were a big hit with the kids. It really got them talking about the fundraiser.
- 2) Teacher Update – Ms. Milton passed along the need for some volunteers to work on the library. We will find out exactly what is needed to make the library operational, are a couple volunteers needed to be trained in the system? Once it is operational, do we need volunteers to replace books onto shelves? How often?
- 3) Upcoming Events:

Fall Fundraiser: Update – Fundraiser is going well. Dana is the point person. We will find out if we need help cleaning up the lobby at the end of the fundraiser. No volunteers needed for the actual Fun Run. PE teachers have it planned.

Teacher Conference Meals: Update – food items are still needed for Tuesday night's dinner. The idea was given to give the link to the teachers to put in their newsletters. Link will also be in the school newsletter Friday.

February Book Fair – will happen in February with conferences and I Love to Read month. Will have another chance to decorate the lobby for I Love to Read.

- 4) New Ideas – Middle School dance – Glo in the Dark, pizza pre-order, photo booth, parent to take the photos. Looking at March 24th. Will talk to the MS teachers and let them know PTO is thinking about the dance. There was an idea to help facilitate or buy supplies for art projects to help teachers since there is not an art teacher at this time.
- 5) Next Meeting – January 10th at 4:20. In the meantime, will talk to administration about the possibility of using What's App or Group Me for communication within the PTO to avoid email chains.

Adjourn 4:55pm
