Math cumulative reviews occur per completion of segments of the curriculum	Reteaching the week following a cumulative review		Interim assessments for Grades K-8	TBD	

Federal, State and Local assessment are untimed, however there are recommended testing times.

Local assessments of Fastbridge typically run 30 minutes per reading and per math test.

Local assessments of BAR and SIPPS are not timed.

State assessments are suggested time, per DAC manual, includes 1.25-2.5 hours, however, it is untimed.

Results are used to measure our accountability to the state, determine areas of strengths within our current curriculum and instruction, as well as areas of deficit that require instructional correcting and strengthening.

Results are reviewed within 1 - 2 weeks of assessment completion as part of grade level meetings, leading to instructional and intervention decisions.

Results are shared with caregivers via print-out reports from FastBridge, which are part of conferences and end of year reports.
